Hold KELNER

(Note: This could be
an area we've seen
The Doctor and his
Party pass through
before - seems a
pity to waste it on
just one shot.)

KELNER CROSSES
TO A SIMPLE SWITCH.
HE TURNS IT TO THE

levels below and only four sectors
away!

LEELA: What is it?

BORUSA: No!

THE DOCTOR: You know how powerless we are against the Sontarans.

BORUSA: I forbid you to use it.
You should never have constructed it.

RODAN: But what is it?

THE DOCTOR: The Ultimate Weapon. The demat gun.

RODAN: That's impossible!

THE DOCTOR: You built it under hypnosis. But how to arm it. Is that the reason for hiding the Great Key?

(HE PICKS UP THE
GREAT KEY AND FITS
IT INTO A SLOT IN
GUN - MUCH AS ONE
WOULD LOAD A RIFLE -
AND SLAMS THE 'BOLT'
HOME

THE GUN IMMEDIATELY
GLOWS)

With this weapon, I could rule the Universe, eh Chancellor?

BORUSA: Is that what you want? Destroy that gun! Destroy all knowledge of it. It will throw us back to the darkest age!

(FROM THE DOORWAY
THE SONTARAN SPEAKS
KELNER IS BEHIND HIM)

SONTARAN: No, Chancellor. Forward
to a new age. A new age of conquest!

(THE DOCTOR TURNS
AND FIRES FROM
THE HIP

THE SONTARAN
VANISHES

KELNER RUSHES

THE DOCTOR: Leela! Wait! Where's
Stor, Kelner?

(NO ANSWER)

THE DOCTOR: I see. Kill him, Leela.

(HE TURNS THE
GUN ON KELNER)

KELNER: No. Don't ... please ...
he's in the panoptican.

THE DOCTOR: The panoptican?
The Matrix!
